### Important Dates

#### From Mrs. Carhart

Happy New Year to our Seabee Community! Welcome back to another year of education, new experiences, growth and achievement together. As we prepare to return to school on Monday we look forward to setting goals, starting fresh and preparing for Assessment/Demonstration of Learning/Course Recovery Week (formerly known as exam week).

Assessment/Demonstration of Learning/Course Recovery Week is January 22 - 26th. During this week there are no regular classes. Busses operate on the regular schedule and students are able to leave once their assessment is complete. Any students choosing to stay for the day will have access to the cafeteria as a place to work, study and eat. The schedule for this week is on the next page. If you have any questions, please don't hesitate to reach out. During this week students have the opportunity to initiate a conversation with their teachers about how to bridge any gaps that remain.

As we look to Semester 2, January 31st, we are focused on reminding and educating our students/community that cell phones will not be permitted in classrooms during instructional time. While we recognize this will take some adjustments and getting used to for students we also recognize as educators we need to do our part to create and teach healthy screen use habits.

The start of semester 2 also signals an adjustment with our schedule. Period 1 will be the start of the day and all students will be expected to be in class ready to learn for 9am. O Canada will continue to signal the start of the instructional day for all students and announcements will be embedded in this first period class.

As always, we welcome your feedback and continue to appreciate your support!

Mrs. Carhart
