

# SIMONDS HIGH

## WEEKLY NEWSLETTER

*November 15th, 2024*

### Important Dates

Our commitment to providing a safe, respectful, and inclusive environment for every student is at the heart of our work here at Simonds High School. I want to share with you some recent initiatives we've put in place to support this mission, particularly around maintaining safe washroom spaces and encouraging students to use common areas for socializing.

Throughout the day, our leadership team is actively present in all areas of the school, helping to ensure that students are in class, focused, and where they need to be. This visibility allows us to promptly address any issues, answer questions, and maintain a positive learning environment for all.

In addition, we are expanding our indoor lounge spaces to provide more inviting areas for students to hang out and socialize outside of classroom hours. We recognize the importance of these spaces in fostering a positive school culture, and we want to ensure that students have comfortable, accessible areas for their downtime. By providing these dedicated lounge areas, we hope to reduce unnecessary loitering in washrooms and encourage students to use these spaces as intended.

Thank you for your ongoing support as we work together to create a school environment that is safe, welcoming, and conducive to learning for every student.

Jennifer Carhart
