

SIMONDS HIGH

WEEKLY NEWSLETTER

November 29th, 2024

Important Dates

As we approach the final two weeks of school before our much-anticipated holiday break, excitement is building! It has been a fantastic semester full of growth, achievements, and hard work, and we're now entering the home stretch before we take some well-deserved time to recharge.

The last three weeks of school will be filled with plenty of activities and spirit. This is a time when all students should be sure that assignments are complete. Please encourage your child to stay organized and finish strong – the last push before a break is always an exciting challenge! As we approach the holiday season, we want to remind everyone to continue following our school's guidelines for behavior and academic focus. Let's finish strong as a community!

Demonstration of Learning Week (January 20th-24th)

Once we return from the holiday break, our Demonstration of Learning Week is just around the corner (January 20th-24th). During this week, students will have the opportunity to showcase everything they have learned this semester. This will be a time for them to reflect on their growth, share their projects and accomplishments, and demonstrate their knowledge and skills.

Throughout the week, students will engage in presentations, hands-on demonstrations, and assessments that will not only highlight their academic achievements but also provide insight into their creative and critical thinking. We will be sending out our schedule for assessments in the new year.

Jennifer Carhart

- November 29th/30th Boys Tip Off Basketball Tournament
- December 5th Christmas Cabaret
- December 6th Winter sports pep rally
- December 11th Grad class event 6pm
- December 18th Door Decorating judging
- December 19th Futsal tournament for the Brown Bag Lunch Program
- December 20th Last Day before break
- January 6th First day back from holiday break

As a school we are working towards providing information about how to support our youth with understanding more about the impacts of vaping. Each week as part of our campaign we will also provide a weekly fact for families and community.

VAPING NICOTINE CAN ALTER TEEN BRAIN DEVELOPMENT
