Important Dates

As we approach the end of the month, I want to share some exciting opportunities for our school community to come together and get involved! Spook Fest is just around the corner! This event promises fun and festivities for all ages, and we invite you to participate and help us create a memorable experience for our community. Whether you can volunteer your time or contribute in other ways, your involvement makes a significant difference.

Looking ahead, we are also gearing up for winter sports season. This is a great time for our students to showcase their athletic talents and teamwork. We encourage parents to come out and support our teams, as your presence boosts school spirit! Additionally, our Culture Club will be hosting events that celebrate diversity and inclusivity. We invite families to engage and share in the rich tapestry of cultures represented in our school.

Lastly, we are organizing job fairs and skilled trades events to help prepare our students for their future careers. These events will connect them with local employers and provide valuable insights into various professions.

Your involvement in these activities not only enhances our school community but also enriches the experiences of our students. Thank you for your continued support, and I look forward to seeing many of you at these events!

Unified Soccer...basketball is around the corner!

Did you know that Simonds High School offers unified sports teams? These are teams that offer opportunities for all youth to play sports with the support of peers and our incredible faculty!

We are heading to St. Stephen on October 30th for a mini Unified Soccer Tournament with St. Stephen High School and Harbour View High School. Keep an eye on our Socials for the updates from our first tournament!
