## WEEKLY NEWSLETTER

*September 13th, 2024*

### Important Dates

A big kudos goes out to our staff and students for successfully completing our first Fire Drill this week. We were all able to exit the building timely, safely and in our proper locations. Mobilizing 1200+ people is no small task and we did it seamlessly! Practicing our safety routines ensures that we are as prepared as possible in the event of a real emergency.

We have had another busy week that winds up today with a special Pep Rally to recognize all our fall sports- Baseball, Softball, Soccer, Football and Cheerleading. It is our epic green and gold day with some amazing prizes, lots of games from our SRC and an overwhelming amount of school spirit! Thank you to our SRC for doing the work required to plan and execute this for our student body.

We are putting out one last call to any parents who are interested in being a member or our PSSC (Parent School Support Committee) please send along an email if you are interested.
