## WEEKLY NEWSLETTER

*September 6th, 2024*

### Important Dates

#### From Mrs. Carhart

Just like that 2024-2025 is underway! We have spent this week working through course changes and making sure we have all our students in courses that best suit their interests and requirements for post High School. Mr. Savoie and Mrs. Gordon have been working non-stop to complete this task! Did you know that we have welcomed over 105 international students to SHS to date? Our school population is growing and we are wrapping up the week with about 1050 students- quite a jump from the roughly 850 students we had when I joined the Seabee family four years ago! This is something to be celebrated! As we start the semester it is always a good time to remind everyone supporting our youth that consistent school attendance is always important.

Jennifer Carhart
