Course Registration Fall 2022

The process of registration for the fall will start the week of March 21st with grade level presentations and an evening virtual presentation for families. We are working to personalize this process to ensure that all students are registered in courses they are happy with, will meet with success and will match their personal pathways. This will be done in consultation with home and with guidance so as to avoid as many course changes as possible in the fall. We recognize this is a complicated process and are here to support each step of the way. Please don't hesitate to reach out anytime with any questions you may have.

Grade 12 corner

It is with excitement that I am able to share with you all that our graduation date has been set for June 22nd with a rain day of June 23rd. Our Prom date has been set for June 20th. Both of these events will take place at the school and we are gathering our team of staff to organize and plan all of the details to make these events special, memorable and full of celebration. I can tell you that the graduation ceremony will be similar to last year in that it will occur outside, however the restrictions are different and the Grad class, Principal Advisory and PSSC have provided helpful feedback to help us enhance and augment what has been done previously. As we have more information we will be sharing it with our Grad class and families. I do know that we will be looking for volunteers in the Spring to help us enhance our quad area and school grounds if you want to start thinking about that and recruiting some friends and family members!

AEI- Atlantic Education International

We are looking for homestay families for 2022/2023. This is a fabulous partnership we have with AEI that allows families in the SHS community to open their homes and be compensated for doing so. You can opt for one semester or the full year. My family has done this and we have made lifelong connections with our homestay student. Not only are the homestay families compensated but SHS will benefit from the diversity and a small stipend to the school. If you are looking for more information or think you'd like to consider this please don't hesitate to reach out!

Angela.calder@nbed.nb.ca or jennifer.carhart@nbed.nb.ca PS. You don't have to have students currently at SHS to help build our diverse community!

Fundraiser

We are offering one more fundraiser for our athletics department at SHS and we need your help! We are looking to replace uniforms, equipment and build our team swag for school spirit! The draw is April 13th and we have set a goal to sell 2000 tickets- can you help us? Please reach out, jennifer.carhart@nbed.nb.ca or Joshua.forward@nbed.nb.ca

1st prize \$1000, 2nd prize \$500, 3rd prize \$250, 4th prize \$250 **Each ticket is \$5!**

SchoolCashOnline.com: [Welcome](#) to purchase online. Sharing on Social Media and with Friends and Family is helpful too!
