Covid-19

We are grateful to all the families who have voluntarily provided vaccination records as this information helps us greatly in the event of another covid case at our school.

Culture and Environment

Bottom floor B has undergone a facelift! We've included all the flags of all the countries we are aware of currently represented at our school. It is an absolutely beautiful display of inclusion and culture, we are so proud of our diversity. I would appreciate any families reaching out to share any countries we may not have known to include.

Jennifer.carhart@nbed.nb.ca We want to reflect our entire community!
