

SIMONDS HIGH

WEEKLY NEWSLETTER

April 28th, 2023

From Mrs. Carhart

The weeks coming up are short weeks and with those short weeks come all the excitement of graduation and end of year.

We will start the process of meeting with our Grade 12's next week to review all of the components of graduation and prom. I will be sending home a grade 12 specific newsletter next week following the meeting for your reference and information at home.

Ms. Marr and her team have been working hard over the past few weeks to prepare for our first Multicultural Fair. We are thrilled to report that over 30 families/students are planning to showcase their culture and traditions with our community. We encourage you all to join us and hope you have saved the date- May 9th @5pm!

May 16th I have been given the opportunity to attend the Canadian Association of Principals conference in PEI for three days. I am very much looking forward to learning more about leadership and anything I can bring back to enhance how I support my school, community and staff. Of particular interest to me are the sessions about school culture and how the role I play as the leader in the school impacts culture. Culture and engagement is something that our staff has identified as a school improvement goal and therefore an area of school wide focus for improvement and growth.

Mrs. Carhart
