From Mrs. Carhart

As we prepare for the last couple of weeks before the holiday break I write with continued pride in our community and students. We have our Christmas Cabaret coming up and so many festivities for all to enjoy! Night events, tournaments and holiday events wouldn't be possible without our talented SRC and staff volunteers- hats off to you all!

The citizenship of our school community is heartwarming. Thank you for instilling that in our youth. As we all know, it really does take a village!

This is a great time of year to also review with your Seabee their courses for second semester. As you know, we offer a wide range of AP (Advanced Placement) courses, Skilled Trades, Essential Skills, Roadbuilders, and beyond for our youth! If you have questions about any of our course offerings or would like to discuss any possible options please reach out to our guidance team!
