

SIMONDS HIGH

WEEKLY NEWSLETTER

December 2nd, 2022

From Mrs. Carhart

Hard to believe that I am writing the first newsletter of December- I honestly don't know where the time is going! Regularly I am hearing from staff and students alike about what a great year we are having. There is no doubt that the past three years had put so much on all of us that to be returned to a more normal school experience is refreshing and brings so much positivity.

We are looking at semester 2 and the opportunity to expand and adjust some of our course offerings. We are looking forward to offering Indigenous Studies, Personal Interest Credit in Black History/Culture course, expanding our Essential Skills program as well as 20+ AP courses slated for Semester 2. If you would like your Seabee to adjust their courses to enroll in one or some of these options please have them make a guidance appointment or check in the office anytime.

Forward's Feedback

Thank you just doesn't cut it to recognize and appreciate the countless parents who stepped up to support, volunteer, coach, cheer, and watch our Boys and Girls Tip Off Basketball Tournament. Our community and fans are top notch! The role of Athletic Director is new for me and the support that I continually get from our community makes it rewarding, successful and invigorating.

Thank you for being patient with me in this new role and supporting our students.

Appreciatively,
Mr. Forward
