February 23rd, 2024

From Mrs. Carhart

Our week was short but jam packed with continued school spirit. Our French Immersion program students had the opportunity to spend Family Day weekend in Quebec City building their French language skills while at the same time exploring the culture of Quebec.

Our focus has been on preparing our course catalogue for registration for 2024-2025. In class presentations have been scheduled and we are looking forward to starting the process of course selections and assignments. This time of year brings many questions and we want to remind you all that the process takes time. We also appreciate the course registration process and graduation requirements can be confusing and overwhelming. We are here to support and can answer any questions you may have anytime you wish to reach out.

For those who are making plans for graduation season, please save these dates:

June 4th Grad Class Spaghetti Supper
June 18th Prom starting at 7pm
June 20th Graduation (rain date June 21st)

Thank you for your continued support of our school, community and growth. Together we are strong!

Mrs. Carhart
