Important Dates

From Mrs. Carhart

It was a great first week getting back into our regular routines! As the semester winds down we continue to encourage students to connect with their teachers, complete any missing or incomplete assignments and begin the preparation work necessary to have the most success during their assessment week. At this time if you are unsure of how your Seabee is doing please make sure to reach out to us and we will support you in finding out that information- it is never too late!

Assessment/Demonstration of Learning/Course Recovery Week is January 22 - 26th. During this week there are no regular classes. Busses operate on the regular schedule and students are able to leave once their assessment is complete. Any students choosing to stay for the day will have access to the cafeteria as a place to work, study and eat. The schedule for this week is on the next page. If you have any questions, please don't hesitate to reach out. Students should begin speaking with their teachers to see how they can bridge any gaps that remain during this week.

Our guidance team will be verifying graduation requirements for grade 12 students next week. They may reach out to students to make adjustments to their semester 2 schedules in an effort to ensure they meet their graduation requirements.

The start of semester 2 also signals an adjustment with our daily schedule. Each day will begin with students in their Period 1 class, all students will be expected to be in class ready to learn for 9am. "O Canada" will continue to be played to start our day and officially welcome us each morning.

As always, we welcome your feedback and continue to appreciate your support!

Mrs. Carhart
