### Important Dates

#### From Mrs. Carhart

As we look towards the start of a new semester it is a good time to ask of our families to make sure that you take a moment to follow us on 'X'/Facebook or Instagram if possible. Communication is important to us and we do post to these platforms promptly when there are changes/updates or information to be shared.

With a new semester we also look to a celebration of the past. Keep an eye out for our upcoming Honors/High Honors Ceremony where we will be recognizing the achievements of those students in high academic standing! We will be recognizing these students on February 13th. You are most welcome to join us in recognizing your Seabee. A schedule for the day by grade will be sent home next week.

**Students achieving an average of 90% and above will be listed on the High Honor Roll.**

**Students achieving an average of 80% to 89.99% will be listed on the Honor Roll.**

We are so fortunate to have the campus that we do. The uniqueness of our facilities allows us to offer courses like Bronze Medallion in our swimming pool second semester, heavy equipment operators as a simulated course with Co-Op, Human Anatomy, and Marine Biology to name a few! Any questions about these courses please reach out to guidance or administration for more information.

As always, we welcome your feedback and continue to appreciate your support!

Mrs. Carhart
