Important Dates

From Mrs. Carhart

The start of the semester brings changes in some of our staff as we welcome back staff, open our doors to new staff and send our best wishes to some staff who are trying new opportunities for the Semester. We are finalizing our list and will have it updated on the website in the coming weeks.

With a new semester we also look to a celebration of the past. Keep an eye out for our upcoming Honors/High Honors Ceremony where we will be recognizing the achievements of those students in high academic standing! We will be recognizing these students on February 13th. You are most welcome to join us in recognizing your Seabee. A schedule for the day by grade will be sent home next week.

Students achieving an average of 90% and above will be listed on the High Honor Roll.

Students achieving an average of 80% to 89.99% will be listed on the Honor Roll.

Another exciting part of Semester 2 is that we are also working on the course registration process for the fall. We will be breaking the process down step-by-step for students and families including a family information session on February 21st.

We are proud of the new courses that teachers are offering and looking forward to seeing our students and community benefit from these opportunities. Whether it is our Roadbuilders Co-Op, Early Childhood, Human Anatomy, or any of our Advanced Placement courses. Our campus boasts many opportunities to engage and challenge our learners.

As always, we welcome your feedback and continue to appreciate your support!

Mrs. Carhart
