### From Mrs. Carhart

This week has flown by and thanks to our SRC it has been filled with school spirit and a top shelf Green and Gold day! These school spirit days continue to grow in popularity, and that is in part due to the continued support of our school community- thank you for being such strong supporters of all that we do!

Mr. Salvador and his team are working hard on our annual Simonds High School showcase/spirit video and this year will not disappoint! Please keep an eye on our socials for the release of this video in the coming weeks. These videos are a tremendous amount of work for the staff who put them together, and we couldn't do them without these talented teachers!
