From Mrs. Carhart

Welcome back from what I hope was a relaxing and restful time away from school. With the end of the March break, I find comes a tremendous amount of hustle and bustle as we look towards the end of the school year. High School is always full of excitement, experiences and memories- but the spring season is overflowing with musicals, assemblies, graduation activities, dances, sports, you name it- we are busy!

The weeks are short throughout the next two months and to that end, attendance is more important than ever. Keeping up on assignments, being present in class and seeking help when needed are a few of the keys to success. If you find yourself unable to access the Parent Portal to monitor these things, please reach out anytime.

As we look to the coming weeks our guidance department will start having students register for courses for the fall. Please look for information to come home about this and keep an eye on our web page for the most up-to-date information about our course offerings for the fall as well as graduation requirements.

Thank you for your continued support of our school, community and growth.

Mrs. Carhart
