From Mrs. Carhart

Each year at this time we celebrate and recognize one youth from each Middle School and High School in our education center. This year, Evan McGarity has been chosen as the Simonds High School Inspire recipient for 2023. Evan has demonstrated incredible tenacity, resilience and above all else a commitment to his academics through the support of his teachers. We are looking forward to celebrating Evan and hearing about the other young leaders in our district at Lilly Lake on May 30th. Congratulations Evan!

We are thrilled to be performing 'High School Musical' in person May 25th, 26th and 27th.

We hope you get your tickets and encourage folks in the community to come and experience all the talent that High School Fine Arts has to offer. Don't miss out on this entertaining show! Tickets are available online: <https://asd-s.schoolcashonline.com/>

Lastly, as all things graduation and prom are upon us we encourage you to mark May 31st as our school-wide clean up and hope that you can come help us that day as we prepare our school campus for its showcase of prom and graduation.

Mrs. Carhart
