### Important Dates

#### From Mrs. Carhart

The Hive is all a 'buzz' with field trips, graduation activities, and campus beautification! This time of year it is so special to be part of a community that comes together to provide a magical send off for all our students!

A big thank you to Mrs. Muir for her incredible work in hosting an outside coffee house for our community to enjoy our campus, talent and spirit! Looking forward to this annual event.

As many have likely noticed, we have installed a new sign at the bottom of our driveway to help keep folks informed. Our plan is to keep this year round to provide notice of important events.
