WEEKLY NEWSLETTER

May 31st, 2024

Important Dates

From Mrs. Carhart

Thank you for a spectacular year! We have learned together, celebrated together and accomplished great things together. The Simonds High community is a strong, unified supportive one, that fosters continued growth and development of our youth.

We are fortunate to have our village of teachers, support staff, students and families who work together daily for our youth. For those who are graduating, I hope you stay in touch, and I look forward to celebrating with you all at the upcoming Prom and Graduation events. As always, I am only a quick email away!

In the remaining weeks I will continue to update families via email, though this will be the last formal newsletter for this school year.
