From Mrs. Carhart

High School is often referred to as the best time of your life. To be able to get to go to work daily doing something you love is a privilege. The real gift however is to be surrounded by a staff who give endless hours to support youth. The volunteer efforts of our staff make it possible for our youth to have magical memories to look back on with pride. The staff I get to work with daily go above and beyond to demonstrate kindness, compassion and encouragement for our youth and we are fortunate for them. Our staff jump in for fun events and are always there eager to help! The Seabee community is really something special- we are family.

Each day we are stretching our thinking and developing our growth mindsets with daily affirmations. You should ask your Seabee about it!

From the Work Room

Are you part of a business looking for High School aged talent?

The Work Room at Simonds High School is hosting a Job Fair for students, Wednesday October 11th from 11:30 – 2:00pm.

If you are a Hiring Manager or Owner of a business/company and can answer YES to both of these questions:

“Do you have openings currently or in the near future?”

“Do you hire High School age students for part-time and/or seasonal work.”

Then we have talent for you! The job fair will give you access to students ready and willing to work.

Contact Sherry Dumont from the The Work Room at Sheryl.dumont@nbed.nb.ca or by calling (506)-643-7422
