## WEEKLY NEWSLETTER

### From Mrs. Carhart

Welcome to our weekly newsletter for 2023-2024! We are very much looking forward to another outstanding year of activity, education and spirit.

Joining the Admin team this year are three new Vice Principals: Mr. Jim Palmer, Mrs. Stephanie Chaisson and Mrs. Janet Seely (replacing Ms. Marr while on educational leave). As a team we are looking forward to having the halls filled with students and making connections with our students.

Over the summer we were fortunate to have lots of painting and repairs done and the campus is shining with pride! Additionally our custodial team worked non-stop to ensure that the building and campus is ready, and did they ever do a fantastic job!

It was great to see so many families at our Meet the Teacher night and we look forward to meeting the rest of our families through the year. Please know that our doors are always open as we are here to support our community and families. Reach out anytime.
