## WEEKLY NEWSLETTER

May 26th , 2023

### From Mrs. Carhart

Hard to imagine that this is the second to last weekly newsletter for this academic year!. With that comes a mix of emotions and for those of you with students in grade 12 I can only imagine how emotional it must be as you move from public education to young adults heading to post-secondary or the workforce.

We look to next week on the 31st and are anticipating another successful school clean up. One last time we ask for you to help spread the word to anyone who could come lend a hand to make our campus shine!

Our musical is well under way with tonight's and tomorrow's performances remaining. The work of the volunteer teachers has been incredible- Ms. Wilson, Ms. Mann, Ms. Reinhart, Ms. Keating, Ms. Robichaud and Mr. Estabrooks have dedicated too many hours to count to make this musical magic for the students and audience. Thank you! If you haven't purchased your tickets yet you can get them at the door! Don't forget, Saturday we have two showings for your viewing pleasure.

The recognition of our cultures and education around our differences continued this past week with a school-wide assembly led by our Culture and Diversity volunteers students and staff. An outstanding series of sharing and teaching took place- something to be proud of!

Demonstration of Learning and Assessment week starts June 12th. School busses run per normal that week.

Students are not required to stay on campus once their assessment is complete. The assessment schedule is as follows:

**Monday, June 12th**- Period 1 and 2 Assessments

**Tuesday, June 13th**- Period 3 Assessments

**Wednesday, June 14th**- Period 4 Assessments

**Thursday, June 15th**- Period 5 Assessments

**Friday, June 16th**- Make up/Catch up Day

Mrs. Carhart

- June 23rd Pick up home reports

# Guidance Corner

The Department of Education and Early Childhood Development (EECD) is offering a free online summer learning program for New Brunswick high school students entering grades 10, 11, or 12 in the upcoming school year and to those who graduate in June 2023.

This program allows students to earn a mark that will be added to their regular school transcript. These are full courses and take a significant amount of time to complete (~4 hours each day).

If students want to improve a mark or get ahead in a course, and they have the time to commit, this might be the right program.

Registration will take place through the school, in the same way as regular online courses. For more information, please see Mrs. Levesque or Mrs. Gordon in Guidance or you may e-mail: [distance.learning@nbed.nb.ca](mailto:distance.learning@nbed.nb.ca)
