ST. MALACHY'S MAJOR AWARDS

M Award recipients are students who have enriched the life of the school through their participation and dedication to extra-curricular activities at St. Malachy's Memorial High School.

W.R.D. Coffey Awards are awarded to students for their outstanding contribution to the life of the school. These students distinguish themselves through service, attitude, commitment, enthusiasm, and spirit.

The **Birks Medal** in Student Leadership is awarded annually to a Grade 12 student who has demonstrated leadership in student government and, in so doing, has had an impact on improving the quality of student experience.

The **Elizabeth Horgan Award** goes to a student who is tireless, eager, sincere, and dedicated to improving the life of the school and the community at large. This student's actions are not motivated by desire for praise, but by a selfless desire to truly make a difference regardless of personal gain.

The **Terry Comeau Award** is given to a student who has contributed significantly to the arts, who has a profound regard for school tradition, and possesses the qualities of integrity, strong work ethic, and dedication.

The **R.S. McMurray Awards** are given to the St. Malachy's Memorial High School students who best combine academic and athletic excellence.

The **St. Malachy's Gold Medal** is awarded annually to the St. Malachy's student who best combines intra-scholastic activities and academic excellence. The recipient of this medal is a student who, in adversity, meets the challenge presented. This student demonstrates leadership ability and is a model of the St. Malachy's motto, "Esse Quam Videri".
