## We're Looking to Buy a New Stage

Our current stage has provided many years of valuable service to the school. However, with age comes the need to replace these types of items and we are currently in partnership with the Home & School Association to raise funds to purchase a new stage in the future. Recently, the St. Martins Chamber of Commerce made a generous donation to the Home & School Association and we want to thank them and their business members for that.

As a school we are planning a yard sale for **Saturday, April 28 from 9:00—12:30**, here in the gym. Do you have any items you wish to donate to the school and we, in turn, will sell at the yardsale. You can drop your items anytime up to Friday, April 27. We will then price the items and get them ready for the next day. Our combined goal is to raise \$7000.00 for the purchase of a new, lighter, more

portable stage for the school and we would appreciate your support.

### Mrs. Duplisea's Class gets their own books

Volunteers from the Bell Aliant Pioneers program recently made a trip to Mrs. Duplisea's grade one class to deliver each book that was all about them. The book called *I Like Me* included the student's name and the names of two of their friends. The hard covered book will be treasured for along time to come.

### District 8 Science Fair

Congratulations goes out to Makayla Hunter for her second place finish at the District 8 Science Fair. Her project entitled *Struck By Lightning* placed second in the Earth & Environmental Sciences Division, Junior Category. Well done, Makayla!

### Help Keep an Eye on the School

This year our school has seen increase in the amount of vandalism over previous years. In particular, areas behind the school have been damaged as well as equipment on the roof. The vandalism has occurred over the weekends and in some cases have resulted in hundreds of dollars of damage.

If you see any suspicious activity occurring behind the school on the weekends please contact the RCMP and report it. This may include ATVs driving on school property or individuals behind the building or on the roof.

### We'll Take the Labels

We are still collecting Campbell's Soup labels as well as V-8 beverage labels and GoldFish labels too. Over the course of a year they all add up to exchange for classrooms resources.

### Lockers in the Middle School

Over the March Break, the middle school received "new to us" lockers. The students are getting used to the new lockers and enjoy having their own space.

## Dates to Remember

Teacher PD—No School	<b>Apr. 20</b>
Gr. 7 Girls 3rd HPV Vaccination	<b>Apr. 24</b>
Grade 3 Entry forms due.	<b>Apr. 25</b>
Yard Sale—donate your items to us	<b>Apr. 28</b>
NBTA Meetings—No School	<b>May 3</b>
Council Day—No School	<b>May 4</b>
Current K students no school.	<b>May 9</b>
Regional Heritage Fair	<b>May 10</b>
Victoria Day—No School	<b>May 21</b>

Josh & Parker dressed as twins during the Winter Carnival.

### A Note From Public Health

Proof of immunizations including the Preschool booster due at 4 years of age is required for children entering school in New Brunswick. If you have received a letter notifying you that your child's record was not up to date, please submit an updated copy of the record as soon as possible. Public

Health nurses will be checking records in the next few weeks. If you have any questions, please call your local public health office.

One of the Bell Aliant Pioneer Volunteers reads from the *I like Me* book in Mrs. Duplisea's Class.
