Achieve Literacy

Together

Achieve Literacy Together Parent/Student Session:

We would like to invite all parents and students of Grade 2 to meet together on **Wednesday April 5th** from **2:15-2:45 pm** for our third Achieve Literacy together session. During this session we will continue to discuss some helpful reading strategies that you can do at home with your child that will help them be successful when reading difficult words. We will have another free book for each student as well as snacks and treats for both parents and students. We hope to see all students and their parent at our session.

April's Literacy Tip: Choosing Books and other reading materials.

Good reading materials are any reading materials that your child enjoys! Look for books and other texts that:

- Extend personal experiences
- Match your child's interests
- Have colorful pictures or photographs
- Are funny, moving, or scary-it's good to share strong emotions together!

Literacy Lead

Do you have a child who is entering kindergarten in the fall?

Why not bring them to the *Get Ready for School* sessions offered on Tuesday May 9, 16 and 23 from 9:30 to 11:00 at Hillcrest Baptist Church?

You will participate in fun activities, sing songs and read books all with the goal of helping you get your child excited about learning.

These sessions are offered by a Literacy Teacher, the Community Schools Coordinator and Talk with Me.

It is a great way for your child to meet new friends who may be in their class next year. Every child who attends will be given a book each week and a snack.

For more information or to register contact Krista Turnbull at St. Patrick's School at 721-7314

Transportation will be provided if needed.

Parents are reminded to inform the school of any changes in address or phone numbers. It is very important that the school be able to contact you in the event of an emergency.
