Monday

Terry Fox started his journey across Canada 40 years ago this month, try this activity from The Terry Fox Foundation.

Tuesday

Game of sock toss.

This is like basketball inside the house, except you use socks instead of ball and clothes hamper instead of the basket. Roll up the socks, place the hamper a few feet away from where you are standing. Take turns to throw the socks into the hamper. Move one step back each time you get the sock into the hamper.

Wednesday

This is a game thought up by another Phys. Ed teacher in New Brunswick using household items. I thought you would rather see me playing the game instead of someone you do not know. Check it out!

Friday

Make a Tik tok video of you dancing. I have enjoyed some Tik tok videos from other students of Westfield!
Here is an example of a dad and daughter doing the two step. (They are not part of the Westfield Family but, I would love to see a Westfield family having fun dancing!)

Notes

Keep sending videos and pictures! I love to see Westfield students being active!
