Wally Finds His Inner Bear was written by Nick Burt of Harvey when he was seven years old.

YEAR BOOK PICTURES: A reminder that if you have pictures for our year book of the students during different events; please send to us via email to Lynn.Charlton@nbed.nb.ca . Grade 5 students are asked to bring in a baby picture as soon as possible.

Volunteers Needed!

Elementary Literacy Friends (ELF) is a volunteer-based literacy program that helps Grade 2 students who would benefit from additional one-on-one literacy activities. ELF provides training, materials, feedback and all of the support necessary for each volunteer to make a positive, lifelong

impact not just on a student, but on how that student will contribute to society throughout his or her life.

Volunteers do not need previous teaching experience; only a willingness to help and commit to the ELF requirements. Following an initial 3-hour training session, the volunteer is matched with a student. The volunteer works with the student for 1 hour at the end of the school day, 2 twice a week for 10 weeks.

To learn more about ELF or to register to become a volunteer, visit us online at www.elfnb.com or call 1-855-898-2533
