## **JUMP ROPE FOR HEART & STROKE**

The Heart and Stroke Foundation believes that every child has the right to grow up healthy and you can help make this vision a reality.

Established in 1981, Jump Rope for Heart is a nationwide success that delivers fun and fitness to more than 4,000 schools and 600,000 students each year while raising millions of dollars for heart disease and stroke research, health education, and social change.

In addition to raising funds for the Heart and Stroke Foundation, Jump Rope for Heart motivates kids to establish healthy lifestyle habits today to promote a healthier, longer life. Students at Seawood School will participate in a kick-off assembly for the Jump Rope for Heart & Stroke on **May 8**. Pledge sheets will be sent home with the students on Friday, May 9. Pledge sheets are to be returned by **May 30**.

## **SEAWOOD SCHOOL STUDENT FEES:**

As a reminder from our school agenda and hand book we are collecting a student fee for the 2013 – 2014 school year. As of this date not all student fees have been received. As stated in our agenda and hand book the fee is \$40.00 per student and \$10.00 for each additional child if you have more than one child attending Seawood School. This fee is to offset the cost of extracurricular activities for the students such as the cost of buses for field trips, admission to the Imperial Theatre, monthly bank fees, field day supplies, food and treats given to the students, sunshine aware prizes, replenish first aid kits (bandages), etc.
